A Farewell Surprise.

Miss Mattie T. Babcock gave a delightful farewell surprise party last evening at the home of her parents, 770 Jones Avenue, in honor of Miss Jessie McKenzie, valedictorian of the class of '90, who intends leaving this city next week for Stuttgart, Ark., where she will spend the summer vacation visiting relatives. The surprise was a most successful one, the young lady having been out driving during the evening with a friend, was taken to the home of Miss Babcock, there to find some fifty friends assembled to bid her good-by. With games and music the company made merry until a late hour. Excellent refreshments were served upon tables upon the lawn, the large yard being gaily lighted up with lanterns.

The benefits of vacation season may be greatly enhanced, if, at the same time, the blood is being cleansed and vitalized by the use of Ayer's Sarsaparilla. A good appetite, fresh vigor, and buoyant spirits attend the use of this wonderful medicine.

Does Robertson, of Fairmont, Illinois,

with Capt. John A. Barnes, who is an old schoolmate of Mr. Robertson, called at the REPUBLICAN office this morning.

Mr. Robertson's visit to Decatur is of a business character, calculated to interest not only the capitalist but everybody in the city. His object is to interest Decatur parties in the manufacture of an iron fence post of which he is the patentee.

An examination of the post must convince any one having good judgment of such matters of its adaptability to the purpose intended. The post is intended to support wire netting, barbed, flat or smooth wire. The device for holding these is unique and cannot fail in its purpose. It consists of three latches or locks at equal distances on each post, which shut upon the wire and hold it firmly and permanently at every latch. The post proper is in two sections. The lower section is driven into the ground where it is thoroughly anchored against the wind by a cross bar. The upper section, bearing the wire locks, is fastened to the ground part by bolts. There is no doubt that Mr. Robertson's patent is a first-class one and fully meets a want long felt by those who use fences. For utility and durability it bears evidence of surpassing anything on that line now in the market.

There is no doubt that as a Decatur enterprise, should our people take hold of its manufacture, it would soon become one of the leading ones in our city.

A Big Fish.

Frank Jennings, of Long Creek township, came to the city to-day lugging a large yellow cat fish he landed this morning on a trout line from the Sangamon river. It weighed 35 pounds and was 42 inches long. The cat is the largest fish that has been taken out of the Sangamon. It is at Charley Weitzel's place. Jack Goodpasture helped make the catch.

COUNTY TREASURER STEELE has received notice from State Auditor Pavey that settlement must be made with that officer for taxes of 1889 during the present month. Let all who have not yet paid their taxes and special assessments and desire to save their property from being sold for the same take due notice and call on the treasurer without further notice and settle.

In the Office.

This morning J. B. Mosser was driven to the city by his daughter, Mrs. A. S. Robinson, and for awhile he occupied a chair in the Republican office, where he greeted all callers in his usual cordial manner. It will be months before he will gain sufficient strength to remain in the office any length of time.

Concert and Art Fireworks.

The base ball park seats were crowded last night for two hours and a half, while hundreds stood in the open space, to hear the concert, given by Goodman's Band, and to witness the inaugural open air entertainment of the summer. There were over 1000 people within the inclosure and fully as many were on the outside to catch what they could of the display without putting up a red cent. They did not see the finer pieces as the view was shut off by the fence, and those who found fault with the exhibition are those who were on the outside. The band played five selections, two of which were new, and each was rendered in excellent style. "Little Annie Rooney" seemed to capture the crowd. Then came the big display of fireworks, under the direction of the Schweiggerling Brothers, who had made all of the rockets and works at Oakland Park, assisted by a lady. Many of the designs were wonderfully beautiful, calling forth spontaneous exclamations of surprise and pleasure. The diamond sun, the monstrous mosaic, the Harrison rockets, the snake fight, the octagon fire combination, and other special figures, readily recognized from the descriptive program, were indeed beautiful, while the bombardment of Fort Sumter and the terrific explosions of the magazines in the make believe fort were a brief but grand sight, and closed the exhibition. The rockets were not strikingly successful, but as a whole the exhibition was a success. The Citizens electric cars must have transported 1500 to 2000 people to and from the park.

The Colored Camp Meeting.

The colored camp meeting at Oakland Park is proving to be a success. It will close to-morrow with the following programme:

Praise meeting at 8 a. m., preaching at 11 a. m. by Rev. S. C. Marshall, subject, "God's sign in the millberry bush."

At 3 p. m., preaching by Rev. Jordan Chavis. Subject, "Hotel Strike." At 8 p. m. he will deliver the sermon, subject, "Religion Without the Holy Ghost."

Don't fail to attend these services, for they will be grand. On Friday night as the Rev. Chavis was preaching the voices were heard for several squares, giving vent to the spirit. These colored people are full of Holy Ghost religion.

This coming novelty in Decatur will be the Mexican circus to exhibit near the depot four days next week beginning June 19th. There are 44 native Mexicans in the party, 10 of whom are Mexican beauties. The prices will be 15 and 25 cents.

A Card Party.

Mrs. J. W. Rao gave an informal card party last evening in honor of visiting guests, Miss Hawkins, of Indianapolis, Mrs. Wade and Mrs. Early, of Los Angeles, Cal., Miss Olette, of Elkhart, Miss Wheeler, of Peoria, and Miss Streeter, of Denver. Six-handed entree was the diversion of the evening. Delicious refreshments were served.

The "Naked Queen" Opera.

Prof. Clark had several hundred Decatur young people on the stage at the Grand this forenoon, rehearsing for the spectacular "Naked Queen" opera, to begin on Tuesday evening next. The fairy queen was in the air in a chariot and was the goddess of liberty, while gorgeous misses were riding upon eagles that swooped across the stage. The choruses are strong. The people will have a fine scenic and musical treat next week. Don't miss it.

Basket picnic July 4th at Oakland Park under the auspices of the Decatur W. O. T. U. All temperance organizations of the city and county are invited to join with us in celebrating the day. Good music and speaking. Come and enjoy the day with us.

This forenoon Joseph F. Helmick and Mrs. Sarah A. Reeser, both of Friends Creek township, secured a marriage license at the county clerk's office.

QUIT WORK.

The June Grand Jury find 42 indictments and go home.

This afternoon the members of the June grand jury, after having been in session twelve days, filed into the circuit court room and reported to Judge Vail that they had no further business to transact. They returned three true bills, making a total of 42 for the session, and were formally discharged with the thanks of the Judge. The jury failed to find a bill against W. H. Crawford, who has been held for burglarizing the home of Colonel Mathias, and he was released from custody, so far as Macon county is concerned. Sheriff Maury has an order from Judge Epler, of Morgan county, to send Crawford to Jacksonville, as he is wanted there to stand a second trial for committing an outrage.

THANKS.

The jury gave a vote of thanks to Foreman Ayres and Secretary Burke for their efficient services, courtesy and forbearance during the session.

GENERAL INDICTMENT.

The jury was a unit in pronouncing the present county buildings anything but a credit to our people and they voted in favor of new buildings, which of course means a new court house. The jury had to be cooped up in a gloomy room, close and disagreeable, to transact business and they now personally realize that Macon county ought to have a decent public building with necessary conveniences. It was a close call for the public. All the people might have been indicted for permitting such a state of affairs.

ADVOURNED TO JUNE 18.

Judge Vail adjourned court until Wednesday, June 18, at 1:30 p. m.

Building Notes.

John Ulrich has commenced operations in enlarging the building on East Main street occupied by Buchanan Bros. Another story will be added and an electric elevator put in for the convenience of the firm.

The frame of Dr. Hiram Buck's new residence on North Water street was put in place yesterday. It will be a handsome ornament to the corner of Eldorado street.

Col. D. H. Conklin has had his mansion on Prairie Avenue repainted in a very tasteful manner.

The firm of Gaddis & Huff, which has furnished the lumber for the shoe factory, the Warren street school house and the John Ulrich improvements, has just owned new residences to cost, from \$1000 to \$2500 each will be erected during the summer.

Miss Frances I. Clegg left to-day for Chicago on business.

Miss Gertrude Randolph returned this morning from Lincoln.

Mont Shultz, formerly a Decatur type, left this morning for Indianapolis.

Mac Crossman, who is attending a Chicago school, is in the city.

Mrs. O'Brien, of Bloomington, is the guest of Mrs. V. H. Parks.

Miss Maudie Barrows departed to-day for Burlington, Iowa, to visit relatives.

Issue R. Diller, of Springfield, was a guest at the Hotel Brunswick last night and to-day.

Born to Mr. and Mrs. George Fisher, of 1135 North Church street, on Thursday, June 12, a son.

Jacksonville Journal: Mrs. W. H. Musgrove is getting along very well and hopes soon to be out.

Mrs. Robinson and son Fay, of Odell, Nebraska, are guests of Mrs. S. S. Boyd, of West William street.

Attorney J. H. Powell got home yesterday from Milwaukee. He will leave Monday on a visit to his parents.

Mrs. E. J. Roberts, who has been visiting her mother at West William street, at Appleton, Wisconsin, has returned home.

Constable Harry Midkiff and daughter returned last night from Arkansas City, Kansas. The health of Harry's mother is improved.

Smith Crowder went to Bethany this morning. His health is much improved since his return to Decatur. He says he is getting fat.

Miss Blanche Wilson and Miss Topsy Shupman, of Paris, Ill., left this morning for Nanticoke, where they will visit relatives for a week.

Mrs. James Miller and daughter, Miss Hattie, went to Chicago to-day to join Rev. Miller, who is in that city for the benefit of his health.

Miss Marie Buckingham will entertain a party of friends this evening at her home, 101 West William street, in honor of her guests, the Misses Brown, of Vandalia.

B. Stone, the clothier, arrived home last night from Chicago, where on Wednesday evening he attended the wedding of his niece, Miss Stone, and Dr. Becker. The bride lately arrived in Chicago from Germany. She formed the acquaintance of her husband in the old country.

Prof. J. N. Wilkinson, of Emporia, Kansas, paid the REPUBLICAN a call to-day. He arrived this morning on his way to Lexington to visit his sister and to look after business affairs. The Professor was formerly principal of the Decatur High School and president of the Y. M. C. A. Now he is the second teacher in the Kansas State Normal School, Emporia, of which Prof. A. B. Taylor, owner of the Mills Bros. city, is president.

Have the Exclusive Right.

Drs. Hoskins & Moore have the exclusive right of Decatur for Dr. Stodman's improvement in dental plates. This improvement is designed to dispense with the large section plate, in common use for partial dentures, and it will also serve to supplant "bridge work" in large measure, which latter is well understood, is difficult to fit and oftentimes involves destruction of valuable teeth. The plates are very small, only about one quarter to one eighth the usual size. Being constructed on truly mechanical principles, they fit the mouth with perfect accuracy. This system applies to all cases having one or more natural teeth remaining on either jaw. Parties wishing teeth inserted without plates would do well to give them a call.
